Mr Hume Wright represents that his pay as Inspector for his services in the Gold fields - that cost of living there is very high - and Capts draw magnificent Salaries.

He refers to the action Civil Service have given him -

On this Whole I think we ought make some addition to his Salary if it were only by way a local allowance

My dear Sir,

This file is about an increase of Establishment for Mr Hume Wright. The file does not seem to be quite complete, at any rate what is now wanted does not clearly appear from the papers as they are. I therefore send back the file to the Office so that what is wanted may

I find quite inadequate the expenses at the Gold Fields being enormous, to say nothing of the necessity imposed on me of sustaining my position in a manner creditable to the Govt. The Dewan was pleased to enter into details with me, & I told him I could not manage on less than 500 Rs a month, & he promised to consider the matter at an early date. Mr Madiah subsequently saw him on the same subject in Oct. & he then told Mr Madiah that he would sanction the extra pay, & directed the papers to be placed before him. Mr Madiah came to the Gold Fields yesterday & told me he had received a letter from the Under Secretary stating that orders had not been passed about my pay as the Dewan was too busy at Madras & he suggested my writing to you on the subject. Dear Mr Thumboo Chetty

I have so much work at present that I am unable to go into Bangalore to see you, & therefor I beg that I may place the matter before you by letter. It is shortly this: In Sept. last I went into Bangalore to see the Dewan Regarding my pay which

though you may not wish to pass orders in the matter during the Dewan's absence, you would kindly write to him & get the pay passed ehere. I am very reluctant to trouble you, but I feel the pressure for want of sufficient pay increasing daily, & I know it is impossible to live here in my position under 500 Rs. & support my family & pay immediate content getting into difficulties. In this season of the year when every one has some extra expense. I am unable to bear

which has been pending before the Deman Commission. Mr. Lefebvre is the only extra clerk necessary in my office. The Deman promised me the increased establishment, but though the work doubled since I came here, I have had no extra assistance, & it is with difficulty I get the work done, judgment copies are frequently in arrears, & the two clerks have to work from early morning to late at night. Pardon me for troubling you with these matters, and wishing you the compliments of the season
